LEICESTER GRAMMAR JUNIOR SCHOOL

Dear Parents,

26th January 2024

Some weeks don't go as planned! Having received the telephone call on Monday morning, it has been non-stop in working with the school inspectors to show them as much as possible in three days. One of the team inspectors asked us to treat it like a huge 'Show and Tell', and we didn't need to be asked twice! Our enthusiasm – pupils and teachers – bowled over the inspection team and made them late for some of their meetings, which is rarely ever the case. Well done to all of the staff and children for Showing and Telling our story.

Thank you, too, for engaging with the parent survey, the feedback was useful to the inspection team in that it provided them with a rounded picture of the children's experience in school.

The school has undergone a very rigorous process of close scrutiny of the Independent School Standards Regulations (over 400 of them) by a team of eight inspectors. The different sections of the new inspection framework are built around these standards, with pupils' wellbeing in all aspects of school life at the heart. There are no grades given under this new framework although every report has to contain recommended next steps, which I am pleased to say will in our case reflect our own identified priorities and thus support us with that direction of travel.

The inspection report will be published in approximately 35 working days and, unfortunately, until then, I am not permitted to share the provisional findings. I know that you will be very pleased and reassured by what you will read in due course – even if it will be written in quite bland inspector-speak with no superlatives permitted.

I could not feel prouder and more elated following this week's Inspection experience. The children were absolute stars in every way.

I know that the staff are looking forward to this weekend, and I hope you are able to enjoy some family time too, perhaps reflecting a little on your child's enriching and happy experiences in early education in our very special Leicester Grammar School Trust.

We will be celebrating Chinese New Year on 15th February, more details to follow next week!

With warmest wishes,

Year 5 - Severn Trent Water information morning

On Monday, Phil Pearce from Severn Trent came into school to deliver the morning assembly and then lead some water workshops with Year 5.

The assembly had a clear message to consider what we should and shouldn't be flushing down the toilet. Phil assured us that Severn Trent do a wonderful job sorting out our sewage and cleaning our water but it is a shared responsibility and we must all think carefully. A survey is attached from and for Severn Trent so your child can recall what they learnt in the assembly!

Each Year 5 class then had a water workshop with Phil. They explored how 5 different families used water around their homes. To their surprise, there was a lot of water of wasting going on and the children soon learnt so many ways that they themselves could save water in their own lives. Phil made the workshops lots of fun and the children certainly took away the message that water is a valuable resource to be treated carefully

PE & Sport

Another wonderful week in the World of sport at LGJS. We enjoyed the U11s hosting The Elms Wednesday. In hockey the A&B team struggled to keep up with the skill level and The Elms took the game away from them in the second half, especially in the As with 6 unanswered goals. The C&D were fantastic winning both of their games, Anay P & Harry P shining, deserving of an opportunity in the U11A&B next week. In netball the A & Bs narrowly lost by one goal 8-9 & 7-8. The C&D again winning ways with C 7-3 & D 6-2!

Thursday, we entertained our house cross country from Year 3 - 6. Fantastic runners in quite heavy mud conditions, not making a fast track. Good luck to the houses as we accumulate the results!

Wishing the IAPS boys the best of luck today at their regional tournament. Look out for more U11s next week to Stamford and girls' netball heading to IAPS Thursday at Uppingham.

After such a busy week, we will return to rising sports stars next week, there's a positive back log!

Dear Friends and Supporters,

We would be delighted to welcome you to our first concert of the year at LGS.

The LGS Folk Group will be entertaining us next Friday 2nd February from 7pm in the Recital Room. With traditional songs and some original numbers, there will also be the chance to get on your feet and participate if you wish!

Soft drinks and alcohol will be served at the interval. There is no charge for tickets but do book in below so that we have an idea of numbers.

The Winter Mini Reading Challenge

Calling all children!

The Reading Agency have teamed up with the *Youth Sport Trust* once more are back for another fantastic reading challenge – this time known as 'The Winter Mini Reading Challenge'. This is a free reading for pleasure programme designed for **children between the ages of 4 and 11**.

If your child took part in Summer Reading Challenge then this a lovely opportunity for them to keep up their amazing work by adding another reading certificate to their achievement collection. If your child is new to the reading challenge then we hope that they enjoy taking part and have fun reading!

Children will need to read at least three books to complete the Winter Mini Challenge (picture books, chapter books and non-fiction books all count). **The Challenge is based solely online (not in public libraries like the summer one, though children are free to borrow library books to complete the challenge).** Parents will firstly need to create an online profile for their child at <https://summerreadingchallenge.org.uk/> (click on the blue 'create a profile' rectangle on the home page to get started).

Children will then have the opportunity to rate and review their books on the website while the challenge is on and once completed, they will unlock a limited-edition virtual badge for their profile and **a special certificate that they can print out and keep**. Please ensure that children are always supervised when online.

The Challenge started on Friday 1 December 2023 and will end on 20 February 2024.

To reward the children's efforts in school, if your child brings in a copy of their special certificate up to the 20th February 2024, they will receive a special bookmark in their library session.

Happy reading!
