

Year 3 Trinity Term - Pick and Mix Grid 2024

Trinity Topic– Geography - Brazil

Task

1

The Brazilian city of Rio is famous for its Favelas, which are areas made up of ramshackle, colourful buildings where the poorest people of the city live.

As a year group we would like to create a **HUGE** Favela.

So.....your task is to create one building to contribute to the whole display. Use a cardboard box to form the basis of your building. Then decorate it as you wish using paint, string, cardboard, paper etc, to add details and features.

Have a look on websites such as Pinterest to give you inspiration.

Try to make your Favela building as interesting, detailed and as colourful as you can. You can add stairs, a washing line, a balcony, stacked colourful buildings and maybe even a satellite dish and some power lines!

Task

2

Find out about an animal or bird that would live in the Amazon Rainforest.

We would like you to create an A3 sized poster full of facts and pictures about your chosen animal. This can be handwritten or you can present your work using the

Please choose **one** of these tasks to complete and bring it to school on **Friday 3rd May**
