WELCOME TO SPORTS DAY 2024

We hope that you will have an enjoyable time at our Foundation stage Sports Day.

The children will gather in their groups by the gazebos on the lower field track. The groups are named Olympic hosting cities! Groups only move to the next event on the sound of the hooter & music. Supporters are free to move round with the teams and cheer all of the children on but please stay behind the rope. However, the children must remain with their group and teacher at all times.

Each child will take part in all 10 events, competing against other children in their group. Children do score points for each event, but these are recorded by our Year 5s to the best of their ability.

We have reinstated the parent Tug O War. There were too many injuries following the 100m sprint! After this each group will have a photo on the straw podium, and released to go home from their classrooms.

Please note there are no medals awarded, lots of stickers, certificate each and effort award from our Year 5 pupils. Refreshments will be available for parents during the day; whilst children are encouraged to bring their own water bottles. Water and lunch will be provided for children as normal.
