

Year 3 Lent Term 2026 **Pick and Mix Grid**

The Romans Choose **1** of the following:

Research

- Research information about Roman gladiators. Then once you have lots of information, create a fact file advertising them as the star attraction at the Colosseum. Try to include things such as their appearance, combat strategies, weapons, who they fought etc. Remember to add a picture.
- Research information about Roman Gods and Goddesses. Then once you have lots of information: create a poster about one of the Gods or Goddesses, which should include things such as appearance, skills, what they were God of and any other information you can find out.

Creative

- Design and make a 3D model of a Roman soldier or gladiator, this could be any size and made of a range of materials. Try and make it stand up on its own!
- Plan and make a 3D model of a Roman Villa and label the different rooms with the Latin names.
- Design and make a Roman soldier's helmet.
- Design and make a mosaic inspired by Ancient Rome. You could use paper mosaics or tiles made of clay.

Take your pick from the tasks above. We look forward to seeing your creations and reading about what you have discovered! **You only need to complete one of the tasks and bring it in to school by Monday 9th February 2026.**
