

Year 3 Trinity term

Pick and Mix Grid 2026

Trinity Topic– Geography - Brazil and The Amazon Rainforest

Task 1 Make a model of a rainforest in a box. Make sure you include all 4 layers, the emergent layer, the canopy, the understory and the forest floor. You could add some animals who live there too. Be as creative as you like with the materials you use. Make sure you label each layer in your mini rainforest box.

Task 2 Make a model of any animal, insect, fish or bird that lives in the Amazon Rainforest, there are thousands to choose from! You can use any materials you like to create your creature. Be as creative as you can. Make a label for your animal too.

Please choose one of these homework tasks to complete and bring it into school on **Monday 11th May 2026**
