

Year 4 Trinity Term - Pick and Mix Grid 2026

Trinity Topic

Task 1

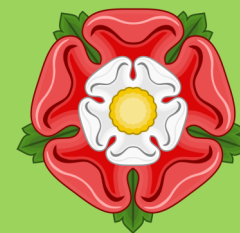

Please complete this task by

**Friday
22nd May**

Your task is to carefully collage a Tudor Rose using a variety of materials to cover each section in the appropriate colours. Use the template provided. You may use whatever material you can find for each colour e.g. tissue paper, wool, paper, fabric, beads, sweet wrappers, pasta etc. When you have finished, cut out the Tudor Rose neatly and stick it in the middle of the black card provided.

We look forward to displaying your masterpieces in school.

Please bring your Tudor Rose collage in to school by **Friday 22nd May**

Task 2

Please complete this task by **Friday,
26th June**

Your task is to create a fun 'survival manual' about Grafham Water to be shared with the current Year 3 children who will be going to Grafham next year. Tell them about all the activities they have to look forward to, the highlights of camping, the delights of the food and the adventure of night time camping with your friends. You can include any top tips, pictures, and equipment you think the Year 3s would benefit from taking with them.

It can be displayed in a poster, a leaflet, a guide or a letter that can be kept ready for their adventure. Take care with your presentation so that you can share it proudly with a Year 3 child.

Please bring your completed manual in to school by **Friday, 26th June**.
